

Welcome to our community

WHO WE ARE...

Parents, grandparents, guardians, friends, teachers...

We come together to support

Cossington c of e primary school children in any way we can.

We always welcome new members so please get in touch if you'd like to learn what's involved or we look forward to welcoming your at one of our community events

WHAT WE DO...

ORGANISE COMMUNITY EVENTS

We aim to celebrate and build Cossington's and other local communities through fun and engaging events that create lasting memories for the children and bring us all together.

RAISE FUNDS FOR SCHOOL IMPROVEMENTS

We collect donations and hold events through the year to raise money for the school. We are currently working towards grant applications for bigger projects

SUPPORT VULNERABLE FAMILIES

We always make sure that events are affordable and accessible! We hold free uniform stalls and will always look to support all community families

GET INVOLVED...

The most important way you can support the PTA is by giving up a small amount of your time. Whether that be one hour or twelve! No skills or experience are necessary!

The current Committee has big ambitions for the PTA in the coming years, but we need support from the school and wider community to make it happen.

We meet up as friends as often as possible, with our children too!
